DON'S RAINBOW GARDENS

R. R. 2, ORRVILLE, OHIO

Located on the Lincoln Highway
eight miles east of Wooster.

GUARANTEE

We guarantee all plants to reach you in perfect condition when delivered. We do not guarantee growth after planting, as we do not have the care of them afterward.

If for any reason our plants do not come up to your expectations upon arrival, return them at once and we will gladly refund your money and all carrying charges which you have paid.

HARDY SHRUBS

ALMOND. An early Spring-flowering shrub, gaily in full bloom before the leaves appear, with beautiful double flowers of rose or white. snuggling tight to the twigs.

Double White or Pink 60¢ each.

ALTHEA. (Rose of Sharon) The Altheas are among the most valuable of our tall hardy shrubs on account of their late blooming, which is from Aug. to Oct., a period when but few shrubs are in bloom.

Double White, Red or Purple 60¢ each.

AZALEA Mollis. A deciduous variety of extreme hardiness, blooms before the leaves develope. The flowers are a variable orange-tan, yellow and red.

15 inch plants, balled and burlapped \$2.00

BARBERRY Thunbergi. A plant of many useful and varied attractions. Is beautiful every month of the year. In the Spring the leaves are bright green turning to deeper green in the Summer and in the Fall the leaves take on Autumn tints of red, yellow and bronze, followed by berries that ripen red and hang on all Winter.

	Each	Per 10	Per 100
12 to 18 inch....	20¢	\$1.50	\$12.00
18 to 24 inch....	30¢	2.50	20.00

BARBERRY Atropurpurea. The new red leaved Barberry.

15 inch plants 85¢ each.

BOXWOOD. The Boxwoods are usefull in groups or as individual specimens in the lawn or for planting in vases for decorative effects.

Bushy 12 inch plants balled and burlapped \$1.50

BUDDLEIA Magnifica (Butterfly Bush). One of the most desirable shrubs, beginning to bloom in July, continues until cut by severe frost. The flowers resemble the Lilac and are very fragrant..... 50¢

CALYCANTHUS (Sweet Shrub). An old favorite with double chocolate-colored strawberry-scented flowers in May. 75¢ each

CLETHRA Alnifolia (Sweet Pepper Bush). A handsome little shrub, delightfully fragrant in Aug. and Sept. when covered with long showy wands of creamy white flowers. 60¢ each

CYDONIA Japonica (Japan Quince). One of the earliest heralds of Spring. Its great splash of scarlet color marking the final departure of Winter. The impatient blooms are out before the leaves appear.75¢

CAMPANULA Carpatica (Hare Bell). Blue. Charming rock garden variety. July-Aug. ¼ oz. 40¢

CORNUS (Bushy Dogwood). Mainly valuable for their brilliancy of bark and berries, and the handsome variegations of their foliage, all varieties do well in the shade.

Elegantissima Variegata. This variety has purplish red branches, beautiful silver variegated foliage 70¢ each.

Lutea (Yellow Twigged Dogwood). The golden yellow branches afford quite a contrast to the other varieties. 60¢ each.

Siberica (Coral Dogwood). A strong growing variety, crimson colored branches in winter. 60¢ each.

DEUTZIA Pride of Rochester. One of the best varieties. Straight, upright grower, attaining the height of 6 feet at maturity. White flowers, outer petals tinged with pink, borne in great profusion in June... 60¢ each

EXOCHORDIA (Pearl Bush). A beautiful Chinese shrub growing 6 to 8 feet tall with large star-shaped white flowers in May and attractive foliage through season. 60¢

FORSYTHIA (Golden Bell). None of the Spring flowering shrubs can surpass the splendor of the Forsythia, they are a mass of yellow in the Spring before the leaves appear. 50¢ each.

HONEYSUCKLE. Bush Honeysuckles are the first to show green in the Spring. The small pink flowers appear very early and are followed by showy red berries that last until Fall. They make a very desirable tall hedge, and are good when planted as a single specimen. 30¢ and 60¢

HYDRANGEA Arborescens (Hills of Snow). This magnificent hardy shrub has snow white blossoms of large size and comes into bloom just after the passing of all the early Spring flowering shrubs, flowering from early June until late July, which makes it valuable in the garden. 30¢ and 60¢ each.

Paniculata Grandiflora. One of the best known and most popular Summer-flowering shrubs. The flowers are borne in dense pyramidal panicles, white when they first open, gradually change to rose color, and remain in good condition for weeks. 30¢ and 60¢ each.

KERRIA Japonica. A very desirable shrub of spreading habit, bearing large double yellow flowers in June. Effective for massing. 60¢ each.

MAHONIA Aquifolia (Oregon Holly). A dense low-spreading shrub, beautiful holly-like foliage, is practically an evergreen. 12 inch plants 75¢

PRIVET Ovalifolium. This is the well-known hedge plant, used where a low, trimmed hedge is desired.

We can quote very low prices on three sizes.

Well branched, 5¢, 7½¢ and 10¢ each.

Ibota. This Privet is most satisfactory where a high screening hedge is desired..... 25¢ each.

PHILADELPHUS (Mock Orange). Is very useful as a tall screening hedge shrub, are tall and vigorous growers with milk-white flowers.

Can offer extra large bushes of following varieties:

Coronarius. Flowers are small, of delicious fragrance. Grows 8 to 10 feet. 60¢ each.

Grandiflorus. Flowers are larger and later than most varieties. 60¢ each.

Nivalis. Free flowering, large single flowers, strong grower. 60¢ each.

Virginal. A very beautiful new variety; flowers semi-double and practically ever blooming. 75¢ each.

PRUNUS Pissardi. (Purple Leaved Plum). A very handsome small tree. Foliage purple, bluish pink flowers in Spring, one of the best purple-leaved trees. 80¢

Newport. A purple leaved plum of greater refinement and slower growth, leaves richly colored, flowers rosy white, fruits magenta red. \$1.00 each.

Triloba (Double Flowering Plum). This small tree has been much advertised as the Rose Tree of China. Has double pink flowers produced in enormous quantities along the slender branches. Blooms in April. \$1.00 each.

SAMBUCUS (Golden Elder). Its golden yellow leaves contrast beautifully with the other shrubs. Flowers white in flat-topped cymes. Can be pruned into a neat compact bush. 60¢ each.

SYMPHORICARPOS Racemosus (Snowberry). A well known dwarf shrub with pink flowers and white berries that hang on plant the greater part of winter. 50¢

Vulgaris (Coral Berry). Similar to the above but with bright red fruit. 50¢ each.

SYRINGA (Lilac). Everyone is familiar with this old favorite, which should be in every garden. We can supply good sized plants in white or purple. 75¢ each.

SPIREA. All of the Spireas bloom in abundance and furnish a variety of form, size, color of foliage and blossoms throughout the season that makes them very striking

and beautiful. All varieties are very hardy and easy to grow.

Arguta. A dwarf Spirea 3 to 4 feet tall, blooms in April and May, bearing white flowers in dense clusters along the graceful branches. 50¢

Anthony Waterer. Low growing very bushy plant that bears small heads of crimson flowers throughout the Summer. 30¢ and 60¢ each.

Douglasseeii. Flowers deep rose color. One of the best Spireas. The blooms are large spikes and very attractive, appearing in late Summer. 30¢ and 60¢ each.

Froebelli. Similar to Anthony Waterer, but a trifle taller with broader and darker leaves. 60¢ each.

Prunifolia. Plum leaved foliage which in early Autumn turns to red. Blooms early before Van Houtte. 60¢

Van Houtte. The greatest of all white Spireas, it is of compact habit and a beautiful ornament for the lawn at any season, but when in flower in June it is a complete fountain of bloom. 25¢ and 50¢ each.

TAMARIX Africana. A strong, slender, tall-growing shrub with feathery foliage and small, delicate flowers borne profusely on gracefully-bending branches. These pink flowers are very attractive in May. 75¢ each.

VIBURNUM Sterilis (Snowball). The common Snowball which helps out so bravely on Decoration Day with its lovely white bloom. 70¢ each.

Opulus. (European Cranberry). The white flowers in June are followed in Autumn by bright scarlet berries which are very attractive until late in Winter. 60¢ each.

Plicatum (Japan Snowball) Erect, compact, growing shrub, bearing in May an abundance of white flowers that have a wonderful setting in dark green leaves. 75¢

WEIGELIA Rosea. The most popular of all weigelias, with deep pink flowers in June. 50¢ each.

Rosea Variegata. Flowers same as Rosea and foliage is broadly margined creamy white. 60¢ each.

Abel Carriere. Blooms in May and June with great quantities of rose-carmine flowers with yellow spot in the throat. ... 60¢ each.

Eva Rathke. This Weigelia has rich carmine flowers in June with the other varieties, and also blooms at intervals throughout the Summer 75¢ each.

ROSES

All Roses listed are two year field grown plants and are a selection of the varieties which have proven the hardiest in our climate. Roses should be planted as early as possible in the Spring or in late Fall.

We ask that you place your order early, so that we can fill your order at the proper time.

HYBRID TEAS

Columbia. A splendid shade of peachblow-pink.
Duchess of Wellington. Golden yellow.
General McArthur. Intense crimson-scarlet.
Gruss an Tepletz. Blazing scarlet-crimson.
Jonkheer J. L. Mock. Bright pink.
Killarney. Deep seashell-pink.
Mrs. Ambrose Ricardo. Large, double, deep yellow.
Mrs. Aaron Ward. Golden orange.
Madam Alexander Druex. Rich copper shaded gold.
Madam Edward Herriot. Terracota.
Madam Caroline Testout. Salmon-Pink.
Ophelia. White shaded with salmon.
Pink Radiance. Brilliant rosy-carmine shaded pink.
Red Radiance. Rich red.
Willomer. Color rich shrimp shaded yellow.

All the above Roses 90¢ each; \$8.00 per 10.

HYBRID PERPETUAL

Anna de Diesbach. Brilliant rosy-pink, large.
Capt. Hayward. Crimson-carmine. strong grower.
Clio. Soft pink blush, deep flesh center.
Eugene Furst. Velvety crimson.
Frau Karl Druschki. The White American Beauty.
Gen. Jackqueminot. Rich crimson-scarlet.
George Arends. Rich pink, borne on long stems.
Mrs. J. H. Laing. Soft delicate pink.
Paul Neyron. Color deep brilliant pink.
Ulrich Brunner. Fine cherry-red.

Perpetual Varieties 75¢ each; \$6.00 per 10.

CLIMBING ROSES.

Avaiture Bleroit. Saffron yellow shaded apricot.
American Pillar. Large, single, carmine-rose.
American Beauty. Deep pink to crimson, fragrant.
Crimson Rambler. The well known crimson.
Dr. Van Fleet. Delicate flesh-pink.
Dorothy Perkins. Beautiful shell-pink.
Hiawatha. Ruby-crimson, white eye.
Paul's Scarlet Climber. Scarlet, shaded crimson.
Silver Moon. Very large, pure white flower.
White Dorothy. The best white climber.

Climbing Roses 60¢ each; \$5.00 per 10.

PEONIES

Peonies are very hardy and easily grown; they prefer a good deep soil in rather a sunny location. The result of good soil can be seen in the quality and size of the blooms.

Plant the roots so that the eyes are about 2 to 3 inches under the surface. Our roots run three to five eyes.

Plant in September.

Albert Crousse. Very large rosy-white flecked crimson, tall erect habit, free bloomer, one of the best cut flower varieties. 75¢ each.

Ak-Sar-Ben. Brilliant crimson, tall. .. \$1.00 each

Andre Lawries. Late, classed red but is deep rose. 50¢

Avalanch. Valuable mid-season variety, very large creamy-white flowers. 50¢ each.

Couronne D'or. Late, large, full flower of superb form, color white, reflecting yellow, outer petals bordered with carmine, showing yellow stamens throughout flower. 75¢

Crimson Victor. Dark crimson-maroon, globular, compact and very double, erect and strong. \$1.00 each.

Duchess de Orleans. Late, very pretty deep pink with violaceous tints on the center petals interspersed with salmon, one of the best cut flowers. 60¢ each.

Duchess de Nemours. Mid-season to late, fine bud, cup-shaped sulphur-white flower fading to pure white, especially fine in half-open bud. 60¢ each.

Duke of Wellington. Sulphur-white flower, tall grower, mid-season. 50¢ each.

Eludus Superba. Early fine flower, full high-tufted in center. bright pink, very fragrant, good grower, .. 50¢

Felix Crousse. Mid-season. large round heads perfectly double, deep crimson, marked cardinal at base of petals. This is a favorite, not only because of its bright red color, but its shape is so good. \$1.00 each.

Festiva Maxima. Early to mid-season, enormous full double flower of pure snow white flaked with carmine spots. For a white it is hard to beat Festiva Maxima. 50¢

Francois Ortegat. Good, deep crimson, mid-season to late, a good bloomer for a red. 75¢ each.

Grover Cleveland. Fine, dark crimson, blooms on upright stems of medium height, extra good for garden effects, very late \$1.25 each.

Karl Rosenfield. Late, very tall, compact grower of stately habit and a good bloomer of a rich velvety crimson. \$1.00 each.

Lady Alexander Duff. Lovely French white. \$2.00

La Vestale. Creamy-white slightly tinged lilac and flecked crimson. very double. \$1.00 each.

(PEONIES—continued.)

Livingstone. Soft rose-pink, center petals flecked crimson, large, compact, rose type. 75¢ each.

Lord Kitchener. Rose type, very early, most beautiful flower of a brilliant cherry red color. .. \$1.50 each

Mme Crousse. Mid-season to late, large, pure white with occasional carmine spots, fine bud. 75¢ each.

Mme. de Verneville. Early, pyramid-shaped center, white with carmine spots, a sure bloomer. .. 75¢ each.

Mme. de Vatry. Crown type, mid-season, very large, finely formed bloom, lilac-white gards and crown, sulphur white collar of wide petals. 75¢ each.

Mme. Forel Large, compact, rose type, glossy pink with silvery reflex, very fragrant. \$1.00 each.

Margurite Gerard. Large, pale Hydrangea pink, becoming almost white, late. 75¢ each.

Media. Clear deep pink or rose, of perfect form, very large slze. A glorious peonie. \$1.00 each.

Mons. Dupont. Large, fine, cup-shaped bloom, ivory-white with carmine markings. 50¢ each.

Mons. Martin Cahuzac. Dark purple garnet \$3.00

Mons. Jules Elie. Very large flower of deep shell pink. One of the very best..... \$1.00 each.

Philomele. Rose, medium sized flower. Flat crown type, strong free bloomer. 75¢ each.

Pierre Ducharte. Large, fine, tall pink, late, beautiful variety. \$1.50 each

Prairie King. Brilliant, light crimson, shaded purple, tall, strong and erect. \$1.50 each.

Rubra Superba. Deep carmine or crimson, large, compact flower of rose type, very late. 75¢ each.

Rubra Triumphans. Semi-double, early, deep crimson, one of the first to bloom \$1.00 each.

Sarah Barnhardt. Late flowering, compact, uniform mauve-rose, silver tip, strong grower, fragrant. .. \$2.00

Souvenir de l'Exposition Universelle. Rose type, late mid-season, very large flat flower of violet-rose with silvery reflex and distinctly tipped silver, fragrant, free bloomer. 60¢ each.

Venus. Pale Hydrangea-Pink, one of the very best of the pink varieties. \$1.00 each.

Theresa. Enormous rose type, satiny pink changing to lilac-white in the center, erect strong grower and produces typical large flowers on young plants. The highest rated pink. \$3.00 each.

GERMAN IRIS

The lovely "Fleur de Lis" of France with handsome foliage and exquisite, haunting fragrance and delicacy of tinting in their May and June flowers. Although capable of establishment in any soil, they will attain greater perfection of growth and flowering in damp soil if well drained and fully in the sun.

Iris can be planted in the Spring or in August—

We have the largest collection in this part of the country, and it is well worth your time to see them in the blooming season.

Windham. S. soft lavender-pink; F. veined with a darker shade. 25¢ each.

William Penn. An odd blue. 25¢ each.

MIXED IRIS. 10 for \$1.00; \$6.00 per 100

JAPANESE IRIS (*Iris Kaempferi*)

The improved forms of this beautiful flower have placed them in the same rank of popularity as the Phlox and Peonies. Coming into flower about the middle of June and continuing for three or four weeks, they fill in a period when flowers of this attractive type are particularly welcome.

Koki-no-Ire (Purple and Gold). Enormous double flowers often ten inches across, color rich violet-purple with white petaloid, tipped violet. The conspicuous golden throat extends outward in sharp bluish rays.

Gekka-no-nami (Waves under Moonlight). Earliest to bloom and very free, glistening white, with creamy-white stigmas.

Komo-no-obi (Band of Cloud). Lavender-rose, a large six-petaled flower.

Gold Bound. White with gold-banded center.

Monija-no-taki (Maple Waterfall). A choice double variegated variety, bright rose-crimson, beautifully feathered in white.

Mahogany. Large double flowers, the latest to bloom. Velvet-toned, deep mahogany red, the erect petaloids prettily crested.

Sea-crest. Six-petaled, big and wavy, with deep blue haft. A rift of blue in the glistening spray of white caps.

Uchiu (Universe). Beautiful six-petaled flower of largest size, on the longest stems. Color cerulean blue with golden center and white halo from which radiate many clear white lites, standards white, tipped blue.

Zama-no-Mori. White with heavy blue zone.

The above "Japs" 35¢ each; 3 for \$1.00

Mixed Japanese Iris 20¢ each; 10 for \$1.80

Siberian Iris.

A very showy and prolific type of slender compact habit; with narrow, grassy foliage and two to three foot upright stems, medium sized flowers which appear between the German and Japan season.

Orientalis. Rich violet-blue, two feet.

Perry's Blue. Very large, blue flowers on stout stems, a vigorous grower and very free flowering. A good cut flower variety.

Snow Queen. A variety of great merit; flowers snow white.

Siberian Iris 35¢ each; 3 for \$1.00

Hardy Perennial Plants

Without a doubt we have the largest collection of Perennials and Rock Garden Plants in this part of the country, and we are continually on the look-out for new worth-while varieties to add to our list. All plants are fresh dug as we fill the orders, and will reach in perfect condition.

PRICES—Our prices on Perennials are for good, strong, field grown plants, that have been wintered in the field, and the hardiest that can be obtained at any price.

**All plants, unless otherwise noted, .. 20¢ each;
Three of one variety for 50¢**

ACHILLEA (Milfoil or Yarrow).

Ageratum. Handsome cut foliage and bright yellow flowers in a multitude on flat heads during June. 12 in.

Millefolium Roseum. Finely cut deep green foliage flowers pink in dense heads, flowers all Summer. 18 in.

The Pearl. Pure white flowers borne in great profusion the entire Summer. Fine cut flower. 18 inches,

Boule de Neige. An improvement of the Pearl, the flowers are more perfect. 12 inches.

AGROSTEMMA (Mullein Pink). Stout erect growing plant with silvery foliage which contrasts well with the showy crimson flowers in June and July. 18 inches.

ALLIUM (Burbank's Giant Chives). An improved form of the well-known garden Chives, flowers much larger, it makes an excellent border.

ALYSSUM Saxatile Compactum. Broad masses of bright yellow flowers in early Spring. An excellent plant for the rockery or front of borders. 10 inches.

ANCHUSA Dropmore. Tall spikes of blue flowers, flowering all Summer, rough broad foliage. 4 feet.

ANTHEMIS (Margurite). Handsome finely cut foliage and large golden yellow flowers produced all Summer. Succeeds in poor soil. 2 feet.

ARABIS (Rock Cross). Pure white flowers produced in dense masses in the Spring. Splendid for border and rockery work. 8 inches.

AQUILEGIA (Columbine).

Mrs. Scott Elliott Hybrids. This is the most admired type of Columbine. The plants are of strong, thrifty growth; the flowers of largest size, vary in color through the charming tones of cream, pink, lavender, blue, white, red, etc., hardly any two being exactly alike. June. 2 ft.

Double Mixed. Bulky double flowers, various colors.

ARENARIA (Sandwort). Close tufts, profusely covered with silvery white flowers quite early in the season. Excellent for edging or rockery in sunny places. Flowers resemble small morning glories.

ARTEMISIA Lactiflora. A tall growing plant of fine foliage and heads of small white flowers in August.

Silver King (Ghost Plant). Strikingly effective white-leaved contrast plant. A beautiful mist for setting off bouquets and floral combinations. 3 feet.

ASTER Climax. One of the best and showiest of the fall daisies, with large pyramidal spikes of large light lavender-blue flowers. Fine cut flower. 4 feet.

Taataricus. Distinct large bluing-violet flowers.

AUBRIETIA Graceo. One of the daintest of all dwarf creeping plants, form brilliant sheets of violet.

BAPTISIA (False Indigo). Dark blue pea-shaped flowers in June, suitable for hardy border or wild garden. Very attractive foliage. 24 inches.

BLEEDING HEART (Dicentra).

Eximia. A dwarf growing sort with finely cut foliage and showy racemes of pretty pink flowers throughout the season. 10 inches. 30¢ each.

Spectabilis. An old-fashioned favorite. Its long racemes of graceful heart-shaped pink flowers are always attractive. 24 inches. 50¢ each.

BELLIS Tubulosa Aetna. Low growing Spring flowering perennial with very showy bright red flowers. 4 in.

BOCCONIA. Noble hardy perennial, beautiful in foliage and flower and adapted for planting in the shrubery border. Grow 6 to 8 feet.

CALAMINTHA. A very graceful rock plant with rich purple flowers. 6 inches high.

CARNATION (Hardy Border). Mixed colors. 12 in.

CAMPANULA Carpatica (Bellflower). Growing in compact tufts, 8 inches high, flowers clear blue.

Rotundifolia (Blue Bells of Scotland). Clear blue flowers, June to August. 12 inches.

Medium (Canterbury Bells). These imposing biennials are profusely covered with large, bell-shaped flowers; extremely showy on mixed borders. 18 inches,

CATANANCHE (Cupid's Dart). Heads of pretty blue flowers on long stems. July and August. 2 feet.

CENTAUREA Montana. Grow 2 feet high, bearing large violet-blue flowers from July to September.

CERASTIUM. Low plant, silvery foliage, white flower.

CHELONE (Shell Flower). Handsome perennial two feet, numerous spikes of large flower heads; mixed colors.

CHRYSANTHEMUM (Hardy Garden).

Lillian Doty. Large strong-growing Pink.

Alice Howell. Orange-bronze.

Little Bob. Rich mahogany-red. A pompom.

Victory. A very large white.

Indian. Copper-red.

CLEMATIS Paniculata. This hardy climber is one of the choicest and most satisfactory climbing flowering plants. Of strong rapid growth, with small, dense green foliage, and pure white fragrant flowers in greatest profusion in August and September. 50¢ each.

COREOPSIS Grandiflora. An improved variety with large bright yellow flowers; one of the best hardy plants. Good for cut flowers all Summer.

CRUCIANELLA Stoyloso. Early flowering perennial suitable for rock garden; bright purple ball-shaped flowers. Height six inches.

DAISY Shasta Alaska. A decided improvement on the original Shasta, with blooms four inches across of pure glistening white. Two feet.

Hartje & Elder's. This new type is one of the largest flowering, and is a splendid cut flower supply for Memorial Day.

DELPHINIUM (Hardy Larkspur). Delphiniums are the most beautiful hardy plants in cultivation, for they are such an immense variety of beauty and increase in size and beauty year after year.

Improved Belladonna. They are the best blue cut flowers, and perfectly hardy, established plants produce a number of spikes, giving three crops during the season. The light blue combines especially well with other flowers.

BELLAMOSSA. This is the dark blue form of the popular light blue Belladonna with which it is identical in habit of growth, freedom of bloom and other good qualities, but with intensely rich, deep blue flowers.

Wrexham, or Hollyhock Delphinium. A new race with spire-like spikes, the chief distinguishing features of this strain is the extraordinary length and the tapering of the spire-like spikes. The flowers are very large and of many shades of blue. 30¢ each.

DIANTHUS Plumarius (Clove Pinks). The old-fashioned hardy garden pink, fine for border or rock garden; very fragrant and will bloom several times if flowers are cut when faded. Height 6 inches.

Latifolius (Everblooming Hybrid Sweet William). A beautiful variety, producing masses of brilliant fiery crimson flowers throughout the season.

Barbatus (Sweet William). A fine plant which produces great masses of bloom of rich varied colors. 12 in.

Barbatus Nigrescens. A very dark red variety of Sweet William. Almost black.

Deltoides. Charming creeping variety of Pinks, medium sized flowers. Fine for rock garden.

DIGITALIS (Fox Glove) We have Giant Shirley strain of the Gloxiana flowering type, 4 to 7 ft. Mixed colors.

FEVERFEW (*Matricaria*). Hardy white Feverfew. Marguerite-like foliage with clusters of double pompom flowers from June to October. 18 inches.

GIALLARDIA (Blanket Flower). One of the most desirable plants in cultivation. Makes an unfailing supply of bloom from June to Nov. Flowers have a maroon center bordered yellow. Mixed Hybrids. 18 inches.

Giallardia, Dazzler. New variety with flowers up to 5 in. across, flowers are bright golden yellow with rich maroon-red center, fine for cutting.

GENTIANA (Closed Gentian). One of the most fascinating native plants. The flowers, tightly closed, are borne at the top of a stem 12 to 16 in. long, and are an intense deep blue. Grows best in moist places.

GEUM Lady Strathenden. New introduction of great merit. Rich golden-yellow blossoms on stems 10 to 12 in.

GYPSOPHILA Paniculata (Baby's Breath). Branching fine stemmed plant rapidly forming a two foot mound during mid-Summer, the surface is a fleecy mass of white in loose panicles of minute but myriad flowers. Sprays of these are largely used for mixing with high colored flowers.

HELENIUM Riverton Gem. Branching plant which makes fine individual bushes about 3 feet high, flowers old gold, suffused terra cotta, changing to wallflower-red. 25¢

HELIANTHEMUM Mutabile. Abundant inch-wide flowers in loose racemes varying in color from yellow and white to rose and purple. A delightful dwarf border and rockery subject. June and July.

HEMEROCALLIS or DAY LILY. An old garden favorite with tall, graceful grass-like foliage and lily-like flowers, very desirable in the hardy garden, or for naturalizing along pools or streams.

Fluva (Brown Day Lily), Coppery-orange flowers on three foot stems.

Kwanso. A large double-flowering variety with rich golden-bronze flowers. 25¢ each

Flava (Lemon Lily). Sweet scented, clear lemon-yellow with flowers in June. 2 feet.

HEUCHERA (Coral Bells). Beautiful plant for front row of borders, with slender, fairy-like rich colored flowers, is graceful for cutting, excellent rockery plant. 30¢ each.

HIBISCUS (Mallow Marvels). Robust type of upright habit, producing an abundance of enormous flowers in all richest shades of crimson, pink and white. Height 4 feet.

HOLLYHOCK. This old garden favorite needs no description. Mixed double and single in many colors.

IBERIS (Candytuft). Most desirable dwarf plants, 8 to 10 inches high, with evergreen foliage, which is completely hidden with dense heads of flowers in early Spring.

LATHYRUS (Everlasting Sweet Pea) These Everlasting Peas are but little known in this country, but are favorites in England. They are extremely showy and fine. Make fine climber for arbors, trellises, etc. Mixed colors.

LIATRIS. Unique mid-Summer flowers showing a blaze of light rosy-purple from tip to base of each feathery stalk. 3 feet.

LINARIA Cymbalaria (Kenilworth Ivy). A fine rockery plant of trailing habit, with little flowers throughout the Summer.

LYCIUM (Matrimony Vine). A very rapid climbing vine with blue flowers followed by showy red berries that hang on all Winter.

LINUM (Hardy Flax). A desirable plant for border or rockery; growing about a foot high, with light, graceful foliage and large pale blue flowers all Summer.

LONICERA (Climbing Honeysuckle). Their vining qualities are all that can be desired, but the fragrance of flowers make their strongest bid for favor. Color is an intermingling of white and yellow. 30¢ each.

LUPINES. The Lupines produce beautiful long spikes of pea-shaped flowers a foot long on stems three feet high. They are perfectly hardy but cannot endure drought and must be planted in well-prepared garden soil and kept watered in dry weather. We have both blue and pink.

LYCHNIS. An old-fashioned flower, bearing large heads of brilliant red flowers that liven up the border during Summer and early Autumn. 2 feet.

LYTHRUM. A shrubby perennial grower about three feet high, they like a cool and moist place but do well in the average garden, bright rosy flowers are borne freely from July to September.

MYOSOTIS (Forget-Me-Not) .Lovely dwarf plant for damp places, spreading rapidly and covering the ground. Makes an excellent edging. Very good in the rock garden.

POPPY Oriental. Tremendous scarlet, cup-shaped flowers of brightest crimson-scarlet, with large purplish black blotches at the base of the petals, creating a wonderful contrast when blooms open. They add brilliancy that no other flowers can provide. 3 feet.

Nudicaule (Iceland Poppy). The Iceland Poppy is a plant of neat habit, forming a tuft of bright green fern-foliage from which spring, throughout the entire season, a profusion of slender stems a foot high, each graced with cup-shaped flowers of yellow or orange.

PACHYSANDRA Terminalis (Japan Spurge). A trailing plant 6 to 8 inches high, forming broad mats of glossy green foliage. A ground cover which will thrive under pine trees and in shade. Is used mostly for edging evergreen plantings and bordering walks and drives.

PHLOX Subulata. An early Spring-flowering plant with pretty moss-like, evergreen foliage, which during the flowering season in April and May is hidden under the bloom. An excellent plant for the rockery.

PLATYCODON (Balloon Flower). Blooms constantly from July until late September; flowers are large bell-shaped in numerous long racemes, blue and white. 2 feet.

POLYANTHUS (Hardy Primrose). The Polyanthus is an indispensable Spring flower, should be used largely in flower beds and rockeries, yellow and red. 6 in. high.

POLEMONIUM (Jacob's Ladder). A free flowering perennial with graceful pinnate leaves, bear there blue flowers in loose heads; useful for rockery or border. 12 in.

POTENTILLA. Greatly resembles the strawberry plant especially in the manner of growth and foliage. This is a trailing plant which covers the ground rapidly. Flowers are very showy and the colors bright.

PYRETHUM Roseum (Painted Daisy). A colorful garden show from June on throughout the Summer, and also a charming cut flower. Colors vary from pale pink to dark red. 18 inches.

James Kelway. English variety of new introduction, flowers large and a very deep red.

Uliginosum. Very large. evenly rayed white daisy, the petals slender and needle pointed. Late.

RUDBECKIA Purpurea. (Purple Cone Flower) Has a very large brown cone-shaped center with reddish purple petals 3 feet.

Hitra (Black Eyed Susan). Yellow with dark brown center. 2 feet.

SALVIA Azure Grandiflora. A Rocky Mountian species, grows 3 to 4 feet high, producing during Aug. and Sept. pretty blue flowers in great profusion,

Pitcheri. Similar to above but more branching habit and large flowers of a rich gentian blue color, blooms in early Autumn. 25¢ each.

SCABIOSA. (Pincushion Flower). Handsome border plant succeeding in any ordinary soil and should be in every garden where cut flowers are wanted, they last a long time in water. Flowers rich lavender blue. 2 feet.

SEDUM. The dwarf varieties are charming plants for sunny positions in the rockery. They thrive in any soil, but are especially fond of sand. Important rockery plant.

Acre. Foliage green, flowers bright yellow.

Albium. Green foliage, flowers white

Pruinatum. Bluish-green leaves, golden-yellow flower.

Sarmentosum. Strong spreading habit, yellow flower.

Sexangulare. Very dark green foliage, yellow flowers.

Stolonifera. Flat leaves, purplish-pink flowers.

Spurium Coccineum. Rosy-crimson flowering form.

Spectabile Brilliant. One of the prettiest erect species, height 18 inches, broad green foliage and immense heads of bright amaranth-red flowers.

SEMPERVIVUM (Hen and Chickens). A curious and interesting plant, forming rosettes of succulent leaves, good for rockery, banks, carpet bedding, or walls.

SIDALCEA. Erect growing, branching plants, producing their showy flowers during June and July.

TRADESCANTIA (Spiderwort). Produces a succession of blue flowers all Summer. 12 inches.

TRITOMA Pfitzeri (Red Hot Poker Plant). The free and continuous blooming of this variety have made it one of the great bedding plants. Hardy if given protection, but the most satisfactory method of wintering is to bury the roots in sand in a cool cellar. Blooms from August to September with spikes three feet high. 30¢ each.

Hybrida. Early flowering mixed. The hybrids will contain many interesting colors and all will flower early.

TUNICA. Pretty tufted plant with light pink flowers, produced all Summer. Useful for rockery or border. 6 in.

VERONICA Amethystina. Beautiful blue spikes of rich blue flowers in June and July. Height 12 inches.

Incana. White woolly plant about 6 inches high, flowers blue and very numerous, good in rockery.

VINCA Minor (Trailing Myrtle). A trailing vine used extensively for carpeting the ground under shrubs or trees or on graves where it is too shady for grass to grow.

VIOLA Gracilis, Lord Nelson. Very free blooming new variety, makes a good edging plant which under proper treatment will bloom eight months out of the year. Flowers pure violet.

Bicolor. The old-fashioned Viola or pansy of our grandmothers' gardens, flowers about the size of a dime, upper petals blue, upper yellow, very hardy, always in bloom.

YUCCA (Spanish Bayonet). Flowers white. 5 feet.

HARDY PHLOX

Among Hardy Perennial plants no class is of more importance than the Hardy Phloxes, succeeding in almost any soil and position, and flowering through a long season; and while they will continue in good condition and flower freely for many years without attention, yet they respond quickly to and are improved by liberal cultivation.

Baron Van Dedem. Large trusses and florets, a beautiful shade of orange-red tinged with old rose.

Europa. A strong, sturdy and distinct variety, white with a pronounced crimson eye.

Feurbrand. Cerise and vermilion flamed with orange; one of the largest flowered.

Hindenburg. Cherry red.

Jules Sandeau. Large, fine pure pink, free flowering.

La Vague. Pure mauve with aniline red eye.

Mrs. Wm. Jenkins. The best late white.

Miss Lingard. This grand white variety is one of the most popular sorts grown; it grows about two feet high, starts to bloom in May continuing until Fall.

Rosenberg. A strong grower of reddish-violet color.

Thor. A variety with very large flowers; soft ruddy salmon with an aniline eye.

All Hardy Phlox 25¢ each.

LARGE FLOWERING CANNAS

Of all flowering plants Cannas have the widest range of colors, Their foliage is of noble proportions, making a full compact mass which serves to conceal the ground or background, and is of itself attractive in rich shades of green, bronze, red, and chocolate. The flower trusses are uniformly large and free, brilliant with most the colors known among flowers.

The Ambassador. Darkly veined bronze leaves; good heads of large flowers, unblemished fiery scarlet.

Apricot. Strong, rich apricot passing to silvery pink with gold and coral center. One of the daintest and most attractive; foliage green.

City of Portland. Warm rose-pink, the great full-petaled trusses are borne very freely on heavy stocks; foliage green.

Eureka. This is possibly the only genuine white Canna, color lily white, green foliage.

King Humbert. Bronze leaved variety with immense orchid-flowering trusses of velvety orange-scarlet.

Queen Helen. Flowers a rich golden yellow, beautifully dotted red; green foliage.

President. The best green-leaved red-flowered Canna offered. Flowers immense, pure scarlet.

The above Cannas 20¢ each; \$2.00 per dozen.

GLADIOLUS

Alice Tiplady. Grand, large primulinus of most beautiful orange-saffron color. Each 8¢, doz. 50¢

Baron J. Hulot. Dark violet bordering blue, medium size, the darkest blue Glad. Each 8¢, doz. 50¢

Byron L. Smith. One of the most refined, lavender pink on white ground, fine cut flower Each 10¢, doz. 75¢

Carman Sylva. Pure snow white, throat slightly penciled lilac, almost a self color, stem tall, slender, wiry, straight, excellent for cutting, best whites. ... Each 10¢, doz. 75¢

Chalenger. Large, vigorous grower, dark, rich, velvety red solid-colored flowers. Each 15¢, doz. \$1.00.

Crimson Glow. Very large, wide open, glowing crimson, flowers of fine form, exceedingly well placed in spike, vigorous grower, by far best crimson Each 10¢, doz. 75¢

Diener's American Beauty. Brilliant American Beauty color, prominent cream yellow throat, flower large, well placed, many open at one time... Each 20¢, doz. \$1.50

Dr. W. Van Fleet. Extra tall, slender plant, flowers of remarkable form and large size, a magnificent shade of delicate rose pink, deeper at edge of all petals, throat soft canary or cream tint beautifully blended. Ea. 10¢ doz. 75¢

E. J. Shaylor. Tall, strong plant of very large, beautiful, pure, deep, rose-pink flower, a grand ruffled variety and a good grower. Each 8¢, doz. 50¢

Fern Kyle. Large ruffled flower of creamy white color, the best we know in this class..... Each 10¢, doz. 75¢

Giant Myrtle. Much larger, showier, softer pink than "Myrtle". Probably Kunderd's best achievement; large soft delicate pink blending to white towards center; should be in every good collection..... Each 15¢, doz. \$1.00

Gold. Pure golden yellow, throat shade deeper slightly dotted and streaked, almost self color, large flowers, many open at a time and perfectly placed. This grand variety has carried away many first prizes. Each 15¢, doz. \$1.00

Henry Ford. Very dark rhodamine purple shading into deeper tone near the center. ... Each 10¢, doz. 75¢

Le Marechal Foch. Pure delicate rosy-pink, wide open, broad petaled, very lily-like flowers. Blooms early.
Each 8¢, doz. 50¢

Ming Toy. Very large flowers of finest form; snowy deep buff yellow, tall plant. This is one of the best prim-
ulinus hybrids..... Each 8¢, doz. 50¢

Mr. W. H. Phipps. La France pink overlaid with light rose-salmon, lighter towards center; lower petals very faintly striped and speckled with ruby. Flower enormous. A beauty. Each 40¢

Mrs. Leon Douglas. Ground color begonia rose striped with flame and brilliant scarlet; lip pale lemon yellow slightly speckled with ruby. The size of the flowers, we believe, are the largest in existence, all are very open and well set on long spikes often four feet high.

Each 20¢, doz. \$1.25

Mrs. Richard Lohrman. Creamy shell pink with pale yellow lip, a color rivaling the finest orchid. Flowers are very large and edges heavily ruffled. Long sturdy spikes which sometimes kink. Wonderful for decorative purpo-
ses. Each 15¢, doz. \$1.00

Peach Rose. An extra choice and distinct deep rose-pink of remarkable color and appearance. A very beauti-
ful variety. Each 20¢, doz. \$1.25

Purple Glory. The giant of the Kunderdii Glory race, a remarkable color, deepest velvety maroon red.

Each 20¢, doz. \$1.25

Richard Diener. Pure geranium pink with a slight sprinkling of ruby on cream yellow center. Large flaring blossoms rivaling an orchid in beauty. The acme of per-
fection in coloring. Each 20¢, doz. \$1.25

Rose Ash. Corinthian red, shading into ashes of roses on the outer edges, lower petals light yellow speckled with ruby. Each 10¢, doz. 75¢

Scarlet Wonder. Unquestionably the best red, flowers very large, well placed on strong spike, stem always straight, color very brilliant, glowing crimson, scarlet, self color, practically without streaks or marks.

Each 20¢, doz. \$1.25

White Wonder. A truly wonderful large pure white, softly tinted pink and entirely without throat marking, flower very large and well placed on strong straight stems.

Each 10¢, doz. 75¢

GLADIOLUS TO COLOR. For those not particular as to variety names, we can supply bulbs in **Red, Pink, White, Yellow, Orange, Buff.** Doz. 40¢, per 100 \$2.50

MIXED VARIETIES. Doz. 30¢, per 100 \$1.50

TULIPS

The Tulip is always attractive from its beauty and brilliancy of color, and is one of the popular early spring flowers, A few bulbs scattered here and there produce but little effect, but when planted in masses or groups, they become at once grand and brilliant. Tulips should be planted 4 to 6 inches deep and given a light mulch which can remain on the beds until after blooming. *Plant in Fall.*

We offer a collection of sorts covering the most wanted colors; all sorts of extra high quality that can be depended on to produce 100% results.

To Our Local Trade Only.

A great many of our customers ask us to ship heavy nursery stock such as Evergreens, Shade Trees and Fruit Trees and for this reason, we did not list these in this little price list,

In both Spring and Fall we have a good assortment of all kinds of trees and can supply these to our local trade at very attractive prices.

HOW TO ORDER

Please sign your name and full address on every order and letter. Please write plainly.

It is much safer to send the money for the goods in the form of an Express or Post Office Money Order, or your own personal check. We accept stamps as cash, if that is more convenient.

TERMS

Cash with order unless otherwise arranged.

Six of a variety at dozen rates; fifty at hundred rates.

Plants desired C. O. D. must be accompanied by a partial remittance to guarantee acceptance.

FREE DELIVERY

We deliver free of charges, all orders when cash accompanies order. Postage and C. O. D. charges will be added on all C. O. D. orders.

SUNDAY VISITORS

We are always glad to have those interested visit our gardens, but for those who cannot come during the week, we will be glad to show them our plants on Sunday.

Orders requiring digging and packing will not be filled on Sunday unless ordered in advance.
